Greater Guidance

FIND THE WEBSITE

Your job has been published, but where do you find it?

Head to our website <https://www.greater.jobs/> and click the 'Search & Apply' button on the right-hand side.

SEARCH & APPLY

You'll be taken to the Search and Apply page, where candidates browse all live vacancies on our website. They can use the available filters to refine their search. These filter categories are generated from the information you provided in the 'Details' and 'Approval Form' sections of your advert request.

Under the 'Employer' category, locate your organisation (you can type into the box to search). Please allow a short time for the website to process and display your advert.

The screenshot shows the 'greater.jobs' search interface. At the top, there are navigation links: 'Localities and Services', 'Browse by Sector', 'Advertise With Us', and 'Login'. A 'Search & Apply' button is in the top right. Below the navigation is a large banner with the text 'There's good jobs, then there's greater.jobs'. The main search area has two input fields: 'What' (with placeholder 'Type to search jobs') and 'Where' (with placeholder 'Search for a location' and a '20 mi' radius selector). Below these are several filter buttons: 'Job Region', 'Job Category', 'Working Hours', 'Contract type', 'Salary Bands', 'Employer', and 'Working Arrangement'. The 'Employer' filter is highlighted with a yellow box. Below the filters, it says '762 jobs found'. To the right, a search dropdown menu is open, showing a list of employers with their respective job counts: Wigan Council (42), Manchester City Council (41), Bolton Council (32), and Blackpool Council (31). A 'Close' button is at the bottom of the dropdown. A blue arrow points from the text 'Click here' to the 'Employer' filter button.
