

HOW TO GUIDE

Placing an Advert

Greater Guidance

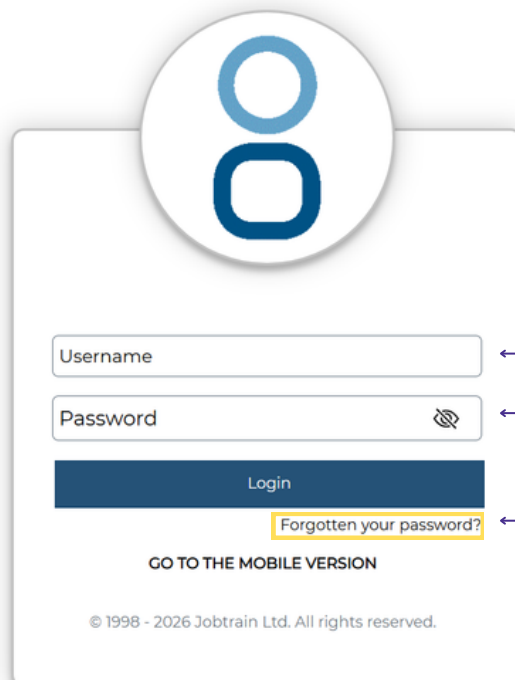

STEP ONE

Logging In

Welcome! You've been set up to raise advertising requests through our [online system](#). We recommend bookmarking this link for future use. You can also find the link within the [Advertise With Us](#) section under [Customer Login](#).

Select '[Forgotten your password](#)' and enter your email address to receive an email, where you can generate a password to access your account.

Once you have created a password, you will be prompted to complete a Two-Factor Authentication feature that generates a one-time password, which is time-based and helps add more security to your account.

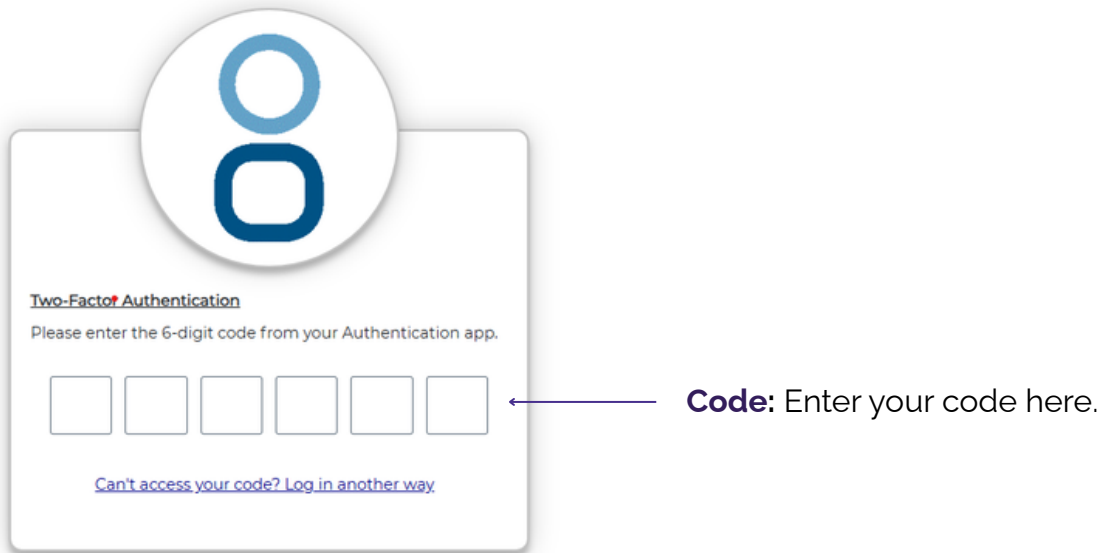

The image shows a login form with a large blue '8' logo at the top. Below the logo are three input fields: 'Username', 'Password', and a 'Login' button. A link labeled 'Forgotten your password?' is located below the 'Login' button. At the bottom of the form, there is a link 'GO TO THE MOBILE VERSION' and a copyright notice '© 1998 - 2026 Jobtrain Ltd. All rights reserved.' Three blue arrows point from the text on the right to the 'Username' field, the 'Password' field, and the 'Forgotten your password?' link.

Username: Add in your work email address

Password: Add your chosen password once you've generated it

Forgotten Password: Generate your password

After pressing '**Get Started**', a QR code will be displayed that you will be asked to scan using your preferred authentication app. After scanning the QR code and pressing '**Next**', the following screen will appear, prompting you to enter the code in your selected authenticator app.

Code: Enter your code here.

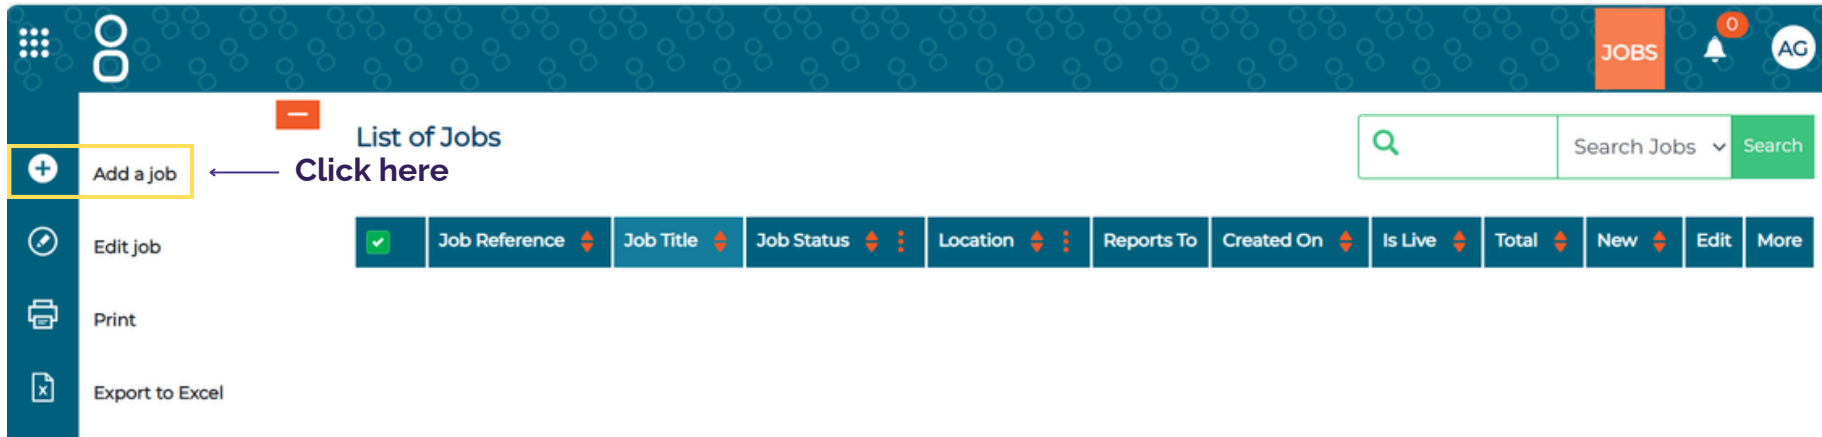

After entering the correct code, you will receive a pop-up message saying that Two-Factor Authentication is now enabled. The final step in this process is to press '**Finish**' to set up Two-Factor Authentication successfully.

After set up, you'll sign in with your email and password, then enter the one-time code from your authenticator app.

STEP TWO

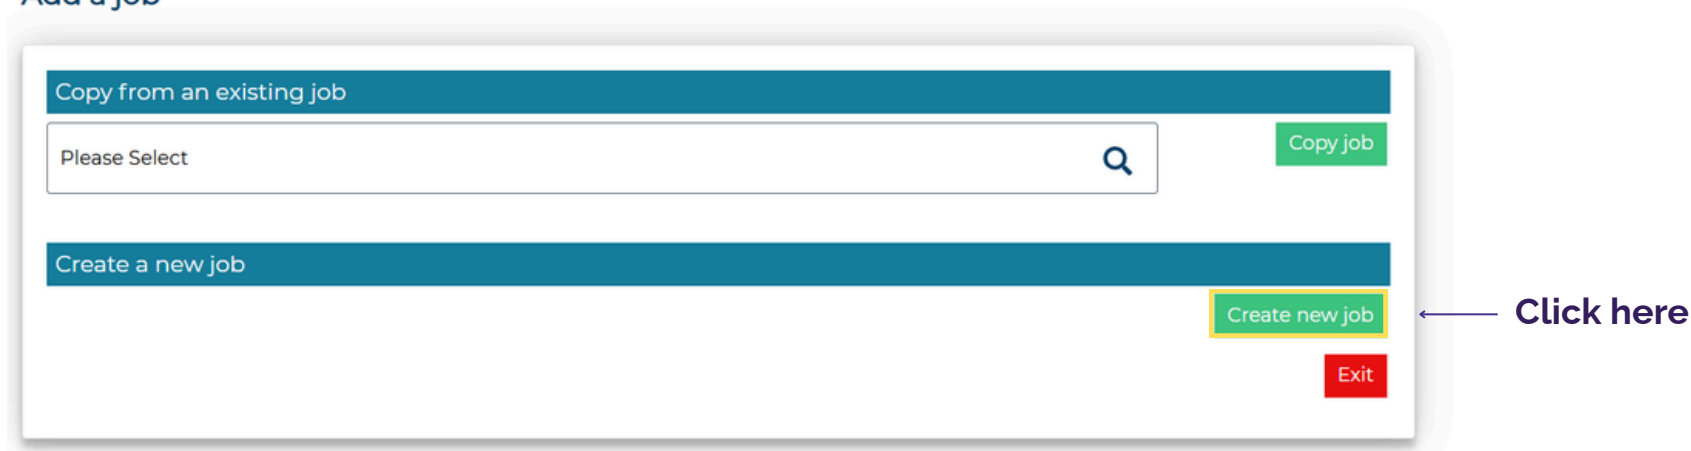

Adding a Job

Once logged into the system, you will see the option to **'Add a job'** in the left-hand menu, where you can start your vacancy request.

Click **'Create new job'** to start your advertising request.

Add a job

Complete the relevant job information on the 'Details' page. Fields in red are mandatory and will need to be completed before you can continue. Once you have completed the details in this section, click 'Save and Continue'.

Please see pages 5-6 for a more in-depth look and explanation of the fields.

← External Toggle: Turn the toggle on so it changes to green.

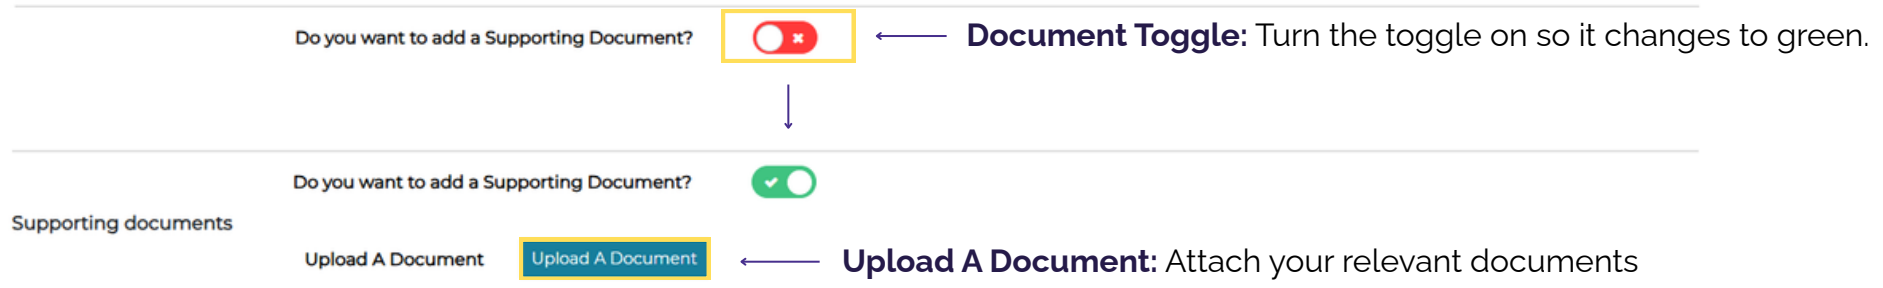

An advert text field will display where you can complete your vacancy text. If you are directing your candidates to apply through your own website, please include a hyperlink with in your advertisement.

Before adding your vacancy text, make sure to copy your text into Notepad from Word. Notepad will strip out any formatting uses that could occur.

You can attach any documents you wish to include on your vacancy within the **'Supporting Documents'** section. Here you can upload documents from your own files, naming them in away that helps your candidates find the key information they need for your vacancy.

There is a file size limit within our online system of 1MB.

Once you have completed your vacancy text and uploaded any supporting documents, click **'Save and Continue'**.

Complete the invoice and other additional details within the 'Approval Form' section. Mandatory fields marked in red must be completed before your advertising request can be submitted.

Please ensure that any documents you would like to include in your vacancy are uploaded as a Supporting Document on the previous page, not within the Approval Attachment section below.

To fully submit your advertising request, you must select Save and Start Approval once all details have been provided. If you select Save and Continue your advertising request will not be fully submitted, and you will be directed back to the job details page. If this happens, please revisit the Approval Form tab to fully submit your request.
